AMF-BRUNS STEPS

Telescopic fold-out step for the side loading door

Fold-out step on same level as vehicle floor

Fixed step for the side loading door

Fixed step with the door closed

Anti-slip surface and easy one-hand operation

High performance anti-slip surface ensures comfortable access

ADVANTAGES

- » When folded up, step covers the complete area of the original step well. Additional area for wheelchair position is gained
- » Easy assembling
- » Easy and quick handling
- » Easy entrance
- » Anti-slip surface
- » Totally free from noise when driving

ADVANTAGES

- » Low weight, easy to fit
- » Robust aluminium tread with anodised surface, slip resistance R11
- » Fully weather resistant
- » Comfortable access
- » No electrical connection needed

SPECIFICATION

- » SWL 150 kg
- » Material Aluminium checker plate
- » One-hand operation

SPECIFICATION

- » SWL 150 kg
- » Available for See summary on rear page
